

## CONFLICT OF INTEREST CODE FOR THE PINE VALLEY FIRE PROTECTION DISTRICT

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practice Commission has adopted a regulation (2 Cal. Code of Regs. Sec. 18730) which contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories, shall constitute the conflict of interest code of the Pine Valley Fire Protection District.

Designated employees shall file their statements with the Pine Valley Fire Protection District who will make the statements available for public inspection and reproduction. (Gov. Code Section 81008). Statements for all designate employees will be retained by the Pine Valley Fire Protection District.
